**If you are .....**

- **someone who uses services**
- **someone looking for a provider**
- **a carer of someone with a disability**
- **an employer looking for inspiration**
- **someone looking for employment**
- **someone looking for training or education opportunities**
- **someone that has an interest in how services can empower people with disabilities and their staff**

**..... then this is the event for you!**

We are bringing together organisations that will empower you. They have been chosen for their contribution and commitment to disability empowerment. These organisations will talk to you and give you information about how they operate.
